

CA Final SCM&PE (Paper 5) - Regular Batch

Faculty : CA Rakesh Agrawal

Difference between Version 2 & Version 3

Version 2	Version 3
(a) This version was recorded in 2018 i.e. before ICAI issued revised module in two volumes in the year 2019.	(a) This version is recorded after considering the changes in the revised module of ICAI issued in 2019.
(b) For the benefit of students who purchased this version, we had separately recorded Amendment Batch 2, covering latest exam papers, RTP and changes made by ICAI in the revised module.	(b) This is the latest recording done after May 2019 exam results. This product is launched on 1st December, 2019.
(c) You need to only buy Amendment Batch 2 (MRP ₹ 400) to get updated as per revised module. It is available for sale on our website. Alternatively, you may download the notes from student corner (free of cost) and study it on your own.	(c) A student who is buying this product, need not purchase Amendment Batch 2. It is already merged in it and included at the respective places in the respective chapters.
(d) No. of lectures = 74 for Version 2. If you see the coverage of syllabus, then : Version 2 + Amendment Batch 2 = Version 3	(d) No. of lectures = 82 for Version 3. Due to increase in the contents from revised module and latest exam papers, the duration has gone up.
