# Life Lessons # 71 to 80

- A request :
- Please read it slowly, carefully and think about it to absorb the meaning.
- If it is worth implementing in real life, then please try to implement it.

# Life Lesson # 71

- Everything you want in life is waiting for you,
- Outside your comfort zone but ...
- Inside your effort zone.
- Just make a move.

# Life Lesson # 72

- If you need 'Knowledge', keep adding something new to your mind everyday...
- But if you need 'Wisdom', then keep deleting a few negative things from your mind everyday.

# Life Lesson # 73

- To reach a successful destination...you need a vehicle assembled with –
- Wheels of ideas...
- Fuel of action...
- A Driver with patience and hard work.

# Life Lesson # 74

There are 3 types of people in this world ...

1. Who make things happen...
2. Who watch things happening...
3. Who are surprised about what has happened.

## Life Lesson # 75

- Don't be happy for a specific reason, because happiness ends when reason ends.
- Try to be happy without any reason and you will be happy in every season.
- A 'Mantra' to stay happy forever is –
- Do what you love to do...
- Else, start loving what you are doing.

# Life Lesson # 76

- There is no 'Future' in the 'Past'.
- To 'Endure' is greater than to 'Dare'.
- Minimise Discussions, Maximise Decisions.

## Life Lesson # 77

- Leadership is not a 'Privilege', it is a 'Responsibility'.
- Leadership is not by chance, it's a choice.
- Nothing moves till we move first. Take initiative and you will be a Leader.

## Life Lesson # 78

- The quickest way to do 'many things' is to do 'only one thing' at a time.

## Life Lesson # 79

- To be trusted is a better compliment than to be loved.

# Life Lesson # 80

- A simple way of dealing with challenges is to Identify, Discuss and Solve.
